

Invitation for Pool Campus Placement drive by T - Systems, Pune on 19th November 2018 (Monday) at Chitkara University, Punjab Campus

Respected Director / Principal / Head of Department / Head (Training & Placements) and Dear Training & Placement Officer.

Greetings from Chitkara University!

Hope you are doing well.

With immense pleasure I would like to inform you that our consistent and relentless efforts in attracting the employers for the young techies in North India have once again paid dividends and we have succeeded to confirm the pool campus event of **T-Systems, Pune on 19th November 2018 (Monday)** at **Chitkara University, Chandigarh - Patiala National Highway** for **B. Tech / B.E. (Computer Science & Engineering / Information Technology) Batch 2019 pass out** students. The job profile, eligibility criteria and other details are mentioned below;

Name of the company: T-Systems, Pune.

About the Company:

Our Background – Deutsche Telekom & T-Systems

Deutsche Telekom is one of the world's leading integrated telecommunications companies, with some 156 million mobile customers, 29 million fixed-network lines, and more than 18 million broadband lines. We provide fixed-network/broadband, mobile communications, Internet, and IPTV products and services for consumers, and information and communication technology (ICT) solutions for business and corporate customers. Deutsche Telekom is present in more than 50 countries. With a staff of some 225,200 employees throughout the world, we generated revenue of 69.2 billion Euros in the 2015 financial year, about 64 percent of it outside Germany. With a footprint in more than 20 countries, 46,000 employees, and external revenue of 7.1 billion euros (2015), T-Systems is one of the world's leading providers of information and communications technology (ICT). T-Systems offers a range of integrated solutions for business customers, including the secure operation of legacy systems and classic ICT services, the transformation to cloud-based services (including tailored infrastructure, platforms and software) as well as new business models and innovation projects for the business fields of the future, such as data analytics, the Internet of Things, machine-to-machine (M2M) communication and Industrial Internet. T-Systems can provide all this thanks to its global reach in fixed-network and mobile communications, its highly secure data centers, a comprehensive cloud ecosystem built around standardized platforms and global partnerships, and the ability to offer top levels of security.

We are already evolving from a traditional telephone company into an entirely new kind of Service Company. Our core business, i.e., the operation and sale of networks and connections, remains the basis. But at the same time we are proactive

T-Systems ICT India Pvt. Ltd (TSIPL), registered is a 100% subsidiary of T-Systems Enterprises Services and was incorporated in Sept.2009 to provide complete offshore delivery solutions to the various global customers of T-Systems and other group companies of DTAG. As a major stakeholder, you are expected to get yourself acquainted with Company services so that you are an effective brand ambassador outside office and will contribute positively to help build a corporate image of the Company.
